

What's New at Chi Chi's

January - February 2011

Donor Spotlight - Jody Rotondo

Jody has been friends with Chi Chi and involved with the Foundation's mission since the early 1990's. He resides in Barrington Hills, Illinois and is President of Terrazzo Marble and Tile in Wheeling. Golf has been a part of his life since early childhood and he is now active with the Evans Caddy Scholarship fund. While at the Classic in November he and board member Jessica Majeski began collaborating on how to support Sean Fromme, an Academy graduate in obtaining a four year Evans College Scholarship. Now that would be a great success story!

"In these economic hard times there are less programs to give our young people a fighting chance. Programs like Chi Chi's give our kids that chance. That's why I am a proud sponsor of the Chi Chi Classic." Jody Rotondo

Ronicka attended Chi Chi's after school program from 3rd grade until 11th grade. Now 27 she is a junior at University of South Florida and is studying for a social work degree. She currently is employed by Walgreen's pharmacy.

"Chi Chi's was like another home for me...I had someone to talk to when I was feeling down...they would build me up when I felt broken."

Ronicka Hunter

Jessica attended the Academy's public school for 5th and 6th grade. Now 25 she works for Community Pride Daycare Center. She has one more semester at St. Pete College to graduate with an AA degree.

"Chi Chi's was a huge influence on me in becoming the woman I am today. I learned so many great morals and values from attending this program."

Jessica Weathers

High Grade Achievements Recognized at Pancake Breakfast

The elementary students (4th and 5th grade) ended the first marking period with outstanding results. Three students made the Honor Roll, six made Chi Chi's List* and thirteen had perfect attendance.

The middle school (6, 7 & 8 grades) ended its second marking period on a high note; Thirty two students (58%) had perfect attendance. Two students, Wesley Hutchison and Francisco Dosal, made the Principal's List with straight A's, thirteen students made the Honor Roll and three students made Chi Chi's List.

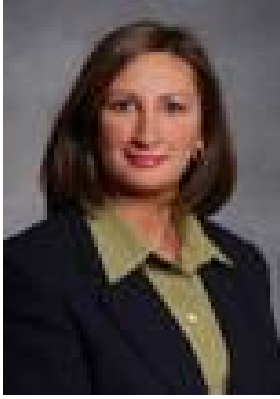

Congratulations to both the students and teachers for the hard work it takes to make this kind of academic progress so quickly. The students get to enjoy a pancake breakfast cooked and served by their teachers.
